

Members

This is to inform you, our member, that a new “green service” is available to you. Effective immediately your statement is available electronically through MemberDirect Internet Banking.

E-Statements are available on MemberDirect by clicking on the "e-statement" tab on the main menu. You will have the option to open or save the file. Should you require a copy for your records, you may do so once the statement has been saved. These E-Statements will be available for 7 years (from May 2009).

We have a request Form available on our web site. Should this new “green service” be of interest to you, please complete the form at your earliest convenience and return it to us, at Debden Credit Union Limited.

By helping us save paper and postage, we will credit your account with a \$1.00 E-Statement Refund each month. This is one of the few times you can help the planet and get money back. We will also have promotional draws for every member that chooses this new service.

If at any time you have a question in regards to E-statements or any other service we provide please do not hesitate to contact us.

Sign up today and feel good about a small effort to help save the planet.

Yours truly,

DEBDEN CREDIT UNION LIMITED
